

FLUXVISION / 05

The Aurora Signal

The sky is trying to tell you something.

Ages 9–13 · 35 min · 2–6 players

Your mission

A strange signal arrives at an Arctic observatory. Compare the star records, trace a route across the ice and align the telescope before the northern lights disappear.

Find six digits. Write them in puzzle order to complete the mission.

01 / The missing pattern

Find the missing number. Every step follows the same rule.
